AUGUST 14–16 ONLY (THURSDAY–SATURDAY)

This amazing jewelry from a talented designer lives someplace between micromosaic and a worn flagstone from a medieval church floor. If you are not familiar with his work, please come by for a preview during this three-day show with more than 100 pieces. His specialty is microscopic detailing and colored diamonds.

Nelson Rarities Estate Jewelry

AUGUST 14–16 ONLY (THURSDAY–SATURDAY)

This is our thirteenth year of presenting extremely wonderful, high quality estate jewelry from one of the world's leading estate jewelry dealers. They have diamond deco bracelets, Edwardian solitaires, and 1940s gem brooches.

Eric Hopkins

Beyond the Material, Nature, Inspiration and Abstraction

This is our third show of this multi-talented Maine artist. Many of us are familiar with his soaring Maine vistas romancing ocean and land. This show highlights just how broad his vision is by including works in glass and photography, all a realization of his far-reaching creativity.
